If you are studying in another country, you may apply for a visa in the Bulgarian Embassy situated there /this is in case you have a document for a long-term stay/;

Letters are sent to the Erasmus+ coordinators at the home university, where they must be distributed to the selected mobility students. Make sure you apply for a visa as soon as you receive your documents.

It is important the subjects to be relevant to the student's area of studies and then to be successfully recognised after the end of the mobility period. Each semester at VUM corresponds to 30 ECTS.

6

Notify VUM International Mobility Office about the date and time of your arrival at least 1 week prior to the arrival so that your welcoming could be arranged.

Visa application fee for Erasmus+ mobility students is 200 EUR.

VUM offers organized transfers for students from Varna Airport to VUM Accommodation Facilities in Dobrich. Students must purchase their transfer at least 1 week prior to the arrival.
